

# We Are Media Experts In

## Photography, videography & Branding

### About Us

Wazitech Business Solutions offers expert photography, videography, and branding for companies, organizations, and churches. We blend creativity, skill, and technology to deliver impactful visuals, from weddings to corporate events, with a touch of African authenticity.

### Our Vision

To become Zambia's leading creative media brand that empowers people, preserves culture, and elevates stories through powerful visuals — capturing moments that inspire, connect, and stand the test of time.

### Our Services

Professional Photography, Cinematic Videography  
Drone Aerial Footage, Expert Video & Photo Editing  
Branding & Graphic Design & Event Coverage  
(Corporate, Weddings, Cultural)

### WHY CHOOSE US?

At Wazitech Business Solutions, we go beyond delivering media—we build lasting connections. We take the time to understand your story, vision, and values, ensuring every photo and video truly reflects who you are. With a creative lens rooted in African identity and backed by professionalism, we capture moments with care, purpose, and heart. Partner with us, and become a collaborator in creating something timeless.

### TARGET MARKET

We serve corporate organizations, couples, churches, cultural groups, and nonprofits—delivering impactful visuals for events, branding, and authentic storytelling rooted in African heritage.
